

# **Orientation on B.Com Internship Program**

Date: February 10, 2025

## **Overview:**

An informative session for B.Com students outlining the objectives, procedures, expectations, and benefits of their upcoming internship program, preparing them for practical industry exposure

## **Outcome:**

Students were well-prepared for their internships, understood the program requirements, and were able to maximize their learning from practical work experience, bridging the gap between academia and industry.
