## **7.1.7**

### **Policy for a Disabled-Friendly Environment in the Institution**

#### **Vision Statement**

The institution is committed to creating an inclusive and accessible environment that ensures equal opportunities for all students, staff, and visitors with disabilities.

#### **Policy Objectives**

- To provide necessary infrastructure and facilities for individuals with disabilities.
- To ensure compliance with the Rights of Persons with Disabilities Act, 2016.
- To promote awareness and sensitivity toward individuals with disabilities among all stakeholders.

#### **Key Features of the Policy**

##### **1. Accessible Infrastructure:**

Provision of ramps, elevators, and wheelchair-friendly pathways in the campus.

Accessible restrooms and reserved parking spaces for persons with disabilities.

##### **2. Academic Support:**

Provision of scribes, extended examination time, and alternative assessment methods for students with disabilities.

##### **4. Support Services:**

Availability of counselling and mentoring support.

##### **5. Complaint Redressal Mechanism:**

Establishment of a grievance redressal committee to address issues faced by individuals with disabilities.

#### **Conclusion**

The institution is dedicated to fostering an equitable and barrier-free learning environment where individuals with disabilities can thrive academically, socially, and professionally.
