

# Workshop on Career Guidance

Date: August 28, 2024

## **Overview:**

This workshop aimed to provide students with essential tools, resources, and insights for effective career planning, including understanding different career paths, resume building, interview skills, and higher education options.

## **Outcome:**

Students gained clarity on potential career trajectories, improved their job readiness skills, and were empowered to make informed decisions about their professional future, leading to better employment or further study prospects.
